

Flight-Testing Newton's Laws**2006 Science****Content Standards**

Montana Science Grades 9-12			
Activity/Lesson	State	Standards	
Session-10 (1-5)	MT	SCI.9-12.2.5.a	explain the interactions between motions and forces, including the laws of motion
Session-1 (1-17)	MT	SCI.9-12.2.5.a	explain the interactions between motions and forces, including the laws of motion
Session-2 (1-10)	MT	SCI.9-12.2.5.a	explain the interactions between motions and forces, including the laws of motion
Session-3 (1-6)	MT	SCI.9-12.2.5.a	explain the interactions between motions and forces, including the laws of motion
Session-5 (1-6)	MT	SCI.9-12.2.5.a	explain the interactions between motions and forces, including the laws of motion
Session-6 (1-8)	MT	SCI.9-12.2.5.a	explain the interactions between motions and forces, including the laws of motion
Session-7 (1-5)	MT	SCI.9-12.2.5.a	explain the interactions between motions and forces, including the laws of motion
Session-8 (1-9)	MT	SCI.9-12.2.5.a	explain the interactions between motions and forces, including the laws of motion
Session-9 (1-7)	MT	SCI.9-12.2.5.a	explain the interactions between motions and forces, including the laws of motion
