

Courage to Soar			
2000 Science			
Model Academic Standards			
Wisconsin Science			
Grades K-4			
Activity/Lesson	State	Standards	
Kite Flight	WI	SCI.K-4.A.4.1	When conducting science investigations, ask and answer questions that will help decide the general areas of science being addressed
Kite Flight	WI	SCI.K-4.C.4.2	Use the science content being learned to ask questions, plan investigations, make observations, make predictions, and offer explanations
Soaring Higher	WI	SCI.K-4.G.4.3	Determine what science discoveries have led to changes in technologies that are being used in the workplace by someone employed locally
Soaring Higher	WI	SCI.K-4.H.4.1	Describe how science and technology have helped, and in some cases hindered, progress in providing better food, more rapid information, quicker and safer transportation, and more effective health care
Soaring Higher	WI	SCI.K-4.H.4.2	Using the science themes, identify local and state issues that are helped by science and technology and explain how science and technology can also cause a problem
Aviation Pioneers	WI	SCI.K-4.G.4.3	Determine what science discoveries have led to changes in technologies that are being used in the workplace by someone employed locally
Aviation Pioneers	WI	SCI.K-4.H.4.1	Describe how science and technology have helped, and in some cases hindered, progress in providing better food, more rapid information, quicker and safer transportation, and more effective health care
Aviation Pioneers	WI	SCI.K-4.H.4.2	Using the science themes, identify local and state issues that are helped by science and technology and explain how science and technology can also cause a problem
Looking for Answers:A research project	WI	SCI.K-4.C.4.5	Use data they have collected to develop explanations and answer questions generated by investigations
The Matter of Air	WI	SCI.K-4.C.4.2	Use the science content being learned to ask questions, plan investigations, make observations, make predictions, and offer explanations
The Matter of Air	WI	SCI.K-4.C.4.5	Use data they have collected to develop explanations and answer questions generated by investigations

The Four Forces of Flight	WI	SCI.K-4.C.4.5	Use data they have collected to develop explanations and answer questions generated by investigations
Controlling the Plane	WI	SCI.K-4.C.4.2	Use the science content being learned to ask questions, plan investigations, make observations, make predictions, and offer explanations
